

THOUGHT FOR THE WEEK

Friday, 22 June 2018
Issue 171

Teamwork: the ability of a team or group to work well together.

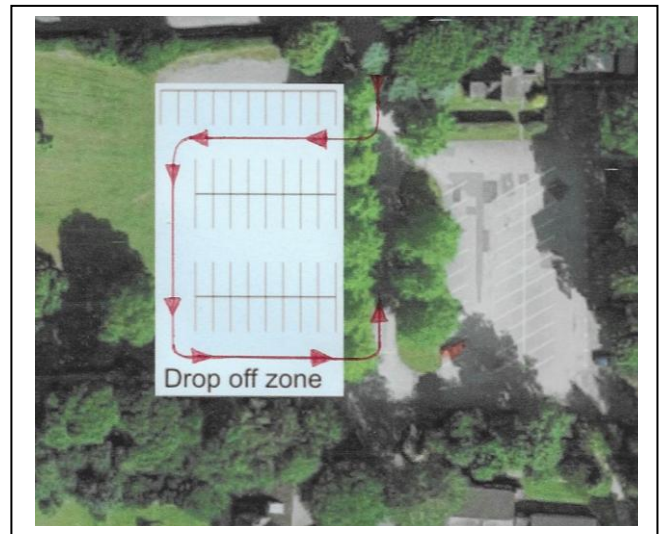

Latin: Duis

‘Unity is strength . . . when there is teamwork and collaboration, wonderful things can be achieved.’
(Mattie Stepanek)

COMMON ENTRANCE RESULTS

We are delighted to inform you that the four Year 8 pupils who took the external Common Entrance examinations have gained places at the following schools:

- Luke Bahia: Repton School
- Cameron Smith: Malvern College
- Arthur Squire: Repton School
- Will Western: Shrewsbury School

On **Monday, 25 June** we are introducing a pilot parking scheme to help improve safety and convenience.

From that day until the end of the Summer Term, parents should please turn right at the entrance, with staff turning left. Parents dropping off older pupils should follow the route (set out above in red) around the car park to a marked ‘Drop off zone’. Other parents should use the marked parking bays.

Leave the car park near the school gate and exit via the central roadway. There will be a ‘Give Way’ junction on the central roadway giving priority to cars entering the School. Temporary signage and markings will be in place.

If successful, we intend to introduce the scheme on a full-time basis from September. Your comments and thoughts on this scheme are welcome, and should be addressed to the Bursar, Peter Neale 01902 372246 or bursar@birchfieldschool.co.uk

We raised over £2,000 so thank you very much indeed for your support. Please can we remind you to return any summer raffle ticket stubs or unwanted tickets to the office as soon as possible as it will be drawn on Monday, 9 July at House Swimming
